

ACCESSORIES

TYPE

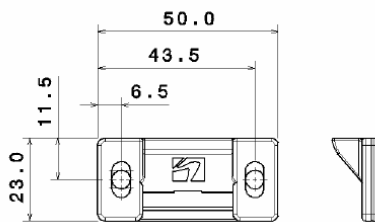

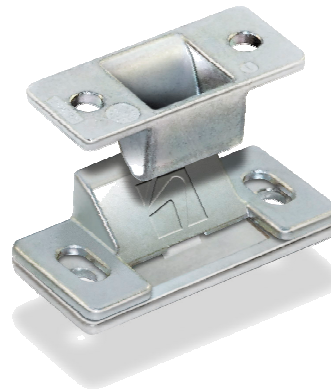

VARIETY OF ACCESSORIES FOR HEAVY DUTY WINDOWS

BENEFIT

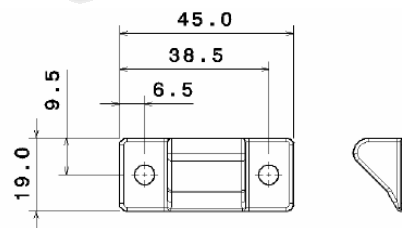

For use with Securistyle's Sterling and Storm Balanced heavy duty hinges

PULL-IN BLOCKS

Pull-In Blocks will maintain an effective weather seal throughout the operating life of the vent. Optimisation of the compression can be achieved by means of the adjustable frame component. Pull-In Blocks will also reduce profile bow on large vents when subjected to negative wind loads. These are suitable for use with our Sterling and Storm Balanced hinges (Part code - CBP1)

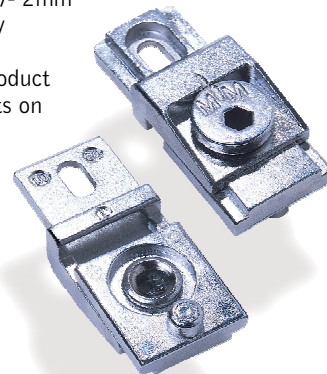

S8305
ADJUSTABLE/FRAME ASSY

R8304
FIXED/VENT PART

ADJUSTMENT BLOCKS

Optional cam adjustment device for +/- 2mm vertical adjustment by simple Hex key operation. Suitable for use with all Securistyle heavy duty hinges, this product provides easy alignment of heavy vents on site. (Part code - S7280)

Manufactured in the UK

BS EN ISO9001
Cert No. Q05105

Due to our policy of continual improvement we reserve the right to alter specifications without notice. It is the responsibility of the window manufacturer to ensure that the finished window meets the required performance and safety specification. All transactions are subject to our standard conditions of supply, which are available on request
